

COVID-19 PLEXI COUNTER SHIELDS

STANDARD SIZES

24" H X 24" W X 6 D"

46" H X 48" W X 12 D"

36" H X 32" W X 8 D"

Our standard shields are constructed of 3/16" cast acrylic material. All edges are flame polished and returns are heat bent. A conveniently placed "cut-out" in the bottom, centre of the shields are perfect for passing an electronic payment device to your client. These lustrous stand-alone units are a quintessential element for providing your staff and your clients with the utmost of safety. Perfect for retail cash desks, reception areas, check-out and take-out counters, banks, salons & spas.

CUSTOM SOLUTIONS

Our custom shields are available in virtually any height, length, thickness or configuration, with all edges flame polished. Clear, frosted, or coloured plexi available. Custom mounting methods if required. Installation available.

Can't find exactly what you are looking for? Let your imagination run wild with our custom solutions. Anything is possible. Whatever your counter or desk shape, we can build it!

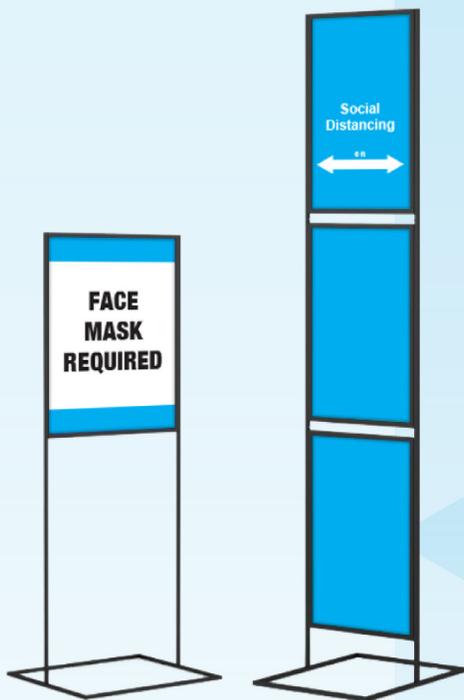

COVID-19 OFFICE & SIGNAGE PROTOCOL

Social Distancing Floor Decals are a must-have for controlling your foot traffic. These decals are printed on a high-tac floor vinyl, with a non-slip floor laminate heat sealed to the top surface. Available in any color scheme, customized with your company Logo.

"Sanitized" Danglers & Tent Cards are printed on a 16pt card stock. These are the perfect visual indicator to let your clients and staff know an area has been cleaned, sanitized and safe. Available in any color scheme, customized with your company Logo.

Our Floor Standing Signage is available in a variety of sizes, finishes and an abundance of Covid-19 Messaging.

If you're not sanitizing your hands, you are reducing your chances of staying safe. The use of Hand Sanitizer Stations are important to combat the spread of Covid-19. Available with or without Sign Holder.
